

# CineLoom QA Readiness Report

The Silent Path - complete sample scene quality and continuity checks.

| QA Area              | Score | Result                                                      |
|----------------------|-------|-------------------------------------------------------------|
| Script readiness     | 98%   | Pass - headings/dialogue/action/source trace complete       |
| Beat coverage        | 97%   | Pass - opening, catalyst, debate, theme and turn covered    |
| Shot design          | 98%   | Pass - shot motivation, lens, movement, composition defined |
| 180° geography       | 99%   | Pass - camera placements remain on valid side of axis       |
| Character continuity | 98%   | Pass - Moses robe, face silhouette and staff lock protected |
| Animatic readiness   | 97%   | Pass - 24-second MP4 preview included                       |
| Export readiness     | 99%   | Pass - PDF, MP4, CSV, JSON and ZIP artifacts included       |

## Director-facing conclusion

The scene is approved for a private director/investor demo. It shows script intelligence, cinematography structure, spatial continuity, premium storyboard output, playable animatic proof and real download artifacts.
